

a little idea to a national sensation!

Wine-A-Rita™ is a refreshing adventure created by Donna and Judy, good friends and business partners for over 10 years. Knowing that every good friendship comes with a few good drinks, we put our heads together to develop a

frozen wine drink. After much sampling, we had the perfect recipe, thus, Wine Glacé® was born! After much praise for our original creation, we soon followed with two additional signature cocktails, Peach Bellini and CosmoRita. The product line of Wine-A-Rita™ has garnered much acclaim and the accolades continue to roll in! Most notably, Wine Glacé® received the coveted "best new drink" award from the National Gourmet Show in 2005.

We are proud to contract with Business Opportunites Inc, which is a special program providing employment for adults who have developmental disabilities. They cut and sew the fabric for our Wine Glacé® bags.

Nothing about wine has been the same since we introduced Wine Glacé® in 2005. We know you will enjoy our mixes as they make the classics more interesting!

*Cheers,
Donna and Judy*

NOT A MARGARITA...BUT A WINE-A-RITA™

Wine Glacé

A perfect and refreshing blend of wine and a frozen drink. The mix is one flavor and may be blended with your favorite Red or White Wine. Try Red Wine for a full bodied drink, White Wine for a lighter taste, or a Fruit Wine for a sweeter treat. The options are never ending. For a non-alcoholic drink, mix with fruit juice.

Kosher. Makes 72 ounces.

Peach Bellini

Harry's Bar in Venice claims credit for creating the Bellini, an Italian classic. Peach Bellini Mix can be blended with your favorite White Wine or to add some bubbles to your Bellini, blend with Prosecco, Sparkling Wine or Champagne. Blend with ginger ale for a non-alcoholic treat.

Kosher. Makes 72 ounces.

CosmoRita

A sophisticated twist on a trendy city classic, with a combination of the cosmopolitan and a frozen cocktail. Blend with White Wine or Vodka. Our favorites are Sauvignon Blanc and Pinot Grigio. Blend with ginger ale for a non-alcoholic treat.
